

Consumer Information Disclosure for LLU Clinical Psychology Psy.D. program

The following table is presented so as to provide interested stakeholders with information about whether the LLU Clinical Psychology Psy.D. program meets educational requirements for licensure in the jurisdictions noted in the table. For each jurisdiction, the Clinical Psychology Psy.D. program requirements were compared to each jurisdiction's requirements for licensure as summarized in the Association of State and Provincial Psychology Board's (ASPPB) document entitled Consumer Information Disclosures, the link for which can be found here:

(https://cdn.ymaws.com/www.asppb.net/resource/resmgr/docs/7.22.21_consumer_information.pdf).

The table provides one of three determinations (i.e., "Does meet", "Does not meet", "Undetermined") to indicate whether the LLU Clinical Psychology Psy.D. program meets the educational requirements for licensure in each jurisdiction.

It is extremely important to note that Psychologist licensure requirements are dsdiction

Michigan	Does meet
Minnesota	Does meet
Mississippi	Does meet
Missouri	Does meet
Montana	Does meet
Nebraska	Does meet
Nevada	Does meet
New Hampshire	Does meet
